## Living / Nonliving Homework

### Part 1: Definitions

In your own words, try to write a definition for the following terms:

Living

Nonliving

### Part 2: Examples

Look around your home, neighborhood, and the school to find 5 examples of things that are living, 5 examples of things that are nonliving, and 5 things about which you are unsure.

<u>Living</u>	<u>Nonliving</u>	<u>Unsure</u>
1.	1.	1.
2.	2.	2.
3.	3.	3.
4.	4.	4.
5.	5.	5.

### Part 3: Analysis

What "rule" did you use to determine if something is living or nonliving? Explain how you decided which category to place each object in.
